

Residence Hall Policies and Restrictions Related to COVID-19 after 1st September 2020.

1. It is obligatory to use personal protective equipment such as masks or visors in common areas, including corridors, elevators, administration offices, maintenance and reception rooms.
2. Students will be allocated single rooms.
3. It is forbidden to rent guest rooms.
4. Students are not allowed to host any external guests.
5. Traffic routes should be kept clean.
6. Frequently touched surfaces such as handrails, handles, buttons and flat surfaces, including tabletops are regularly disinfected.
7. Cleaning staff must be equipped with personal protective equipment and is obliged to use it.
8. It is obligatory to strictly obey the spatial distance between the staff and accommodated residents of at least 1.5 meters and to limit the time spent by the client at the reception, administration and warehouse rooms to the necessary minimum.
9. After the resident completes his/her accommodation and leaves the room, the room is routinely cleaned and aired and all touch surfaces are disinfected.
10. After use, the masks and gloves are to be disposed of in mixed waste bins.
11. When using common rooms (quiet study rooms, gym, laundry, sports and games rooms, kitchens, conference rooms), the number of people staying in these rooms is limited, the spatial distance (1.5 m) is kept, and the mouth and nose are covered.
12. Hand disinfectants available for the residents should be placed in the student residence hall, in particular at the entrances to the premises and to the elevators, and in the reception area.
13. The use of hand dryers in the bathrooms is strictly prohibited.
14. Newly accommodated persons and persons returning to the dormitory are subject to the procedure described in Annex No. 1.
15. Should it be necessary to isolate a student, the rules of rooms intended for isolation described in Annex No. 2. are to be followed.
16. The telephone numbers of sanitary and epidemiological stations and medical services are displayed in a visible place.
17. All residents are to be informed about the pandemic safety procedures.
