

ACCOMMODATION

The University of Warsaw offers 2722 places in seven dormitories located in various parts of the city. Each dorm has a quiet study lounge, a TV room, a computer room, and laundry facilities. Monthly rent ranges from EUR 120 to 260 (PLN 520 - 1100) per person, depending on the type of room.

Thanks to their convenient location, the UW dormitories offer an easy commute to the city centre. Visit **welcome.uw.edu.pl** to learn more.

How to apply?

DEGREE PROGRAMME STUDENTS

If you are an international student coming to study for a BA, MA or a long-cycle degree at UW, you can apply for a place via USOSweb. Make sure you check the deadline for applying as applications for dormitories are organised during several registration periods.

SHORT-TERM STUDENTS

Students who come to UW via various grant or exchange programmes are assigned accommodation from the pool of places available in dormitories prior to their arrival. You can obtain all the necessary information about on-campus accommodation from the International Relations Office.

Please note that places in dormitories are limited and we cannot guarantee places for all who are interested.

You can stay at one of the dormitories if you are participating in a faculty conference or have no connection to UW (e.g. during summer months some rooms are available to tourists).

ACCOMMODATION

Off-campus accommodation

If you do not secure a place in one of the UW dormitories, you can look for a room or a flat on one of the online websites or check out Facebook accommodation pages (e.g. [ESN University of Warsaw Accommodation \(Official\)](#)).

Once you find a room or a flat, remember to sign a contract with the landlord. It is also a good idea to ask a Polish speaker to help you.

If you need a place to stay for the first couple of days, you can look at options offered by the numerous hospitality services and youth hostels.
