

HEALTH CARE

**Make sure you are covered
by health insurance for
the entire duration of
your stay in Poland.**

Are you an EU citizen?

- you should already have health insurance in your home country
- you are eligible for free healthcare in Poland provided that you present your European Health Insurance Card (Polish equivalent of EHIC is EKUZ).

Are you a non-EU citizen?

If you hold a Pole's Card or your Polish descent has been confirmed by a consulate, you are entitled to health insurance coverage by the University, funded by the Polish government.

In order to be insured, you have to sign a contract with the National Health Fund (Narodowy Fundusz Zdrowia - NFZ) and submit a copy of the contract to the Student Welfare and Support Office along with:

- the application form (printed, filled in, and signed),
- a copy of the Pole's Card or a copy of the certificate of Polish origin,
- confirmation of student status (issued by the Students Affairs Office of your faculty).

If you are a non-EU citizen and neither have a Pole's Card nor are of Polish descent, you should still have insurance during the whole duration of your stay in Poland. Otherwise, you will have to pay for any health services you receive.

You can sign a healthcare insurance agreement with the National Health Fund (Narodowy Fundusz Zdrowia - NFZ) or with one of the private health providers in Poland.

Check the Welcome Point website to learn how to apply for voluntary healthcare insurance with the National Health Fund.
