

Navigating Polish Culture: Your Essential Orientation Workshop

Get ready for a journey—though not a typical tourist trip! This will be a deeper dive into Polish culture. In this interactive workshop, we'll peel back the layers of culture—just like an onion—as we explore the symbols, heroes, rituals, and values that define life in Poland. You'll learn about the communication styles, and social customs. We'll also cover important Polish dates and cultural contexts to enrich your understanding of the local traditions. Whether you want to avoid cultural missteps or simply understand your new surroundings better, this workshop will be your guide around Polish culture. It's also a great way to kick-start the University experience and connect with fellow students!

How will we work?

This is an interactive session that requires active participation. In addition to learning the theory, you will engage in group discussions, brainstorming, and conceptual tasks. This approach will give you the opportunity to deepen your knowledge and skills.

Please note: During this workshop, we will be engaging in group activities that may involve louder sounds and a dynamic pace. Please consider this before deciding to join the initiative.
